For years we have been stating in the newspapers of the country that a great many women have escaped serious operations by taking Lydia E. Pinkham's Vegetable Compound, and it is true.

We are permitted to publish in this announcement extracts from the letters of five women. All have been recently received unsolicited. Could any evidence be more convincing?

1. Hopgon, Me.—"I had pains in both sides and such a soreness. I could scarcely straighten up at times. My back ached and I was so nervous I could not sleep, and I thought I never would be any better until I submitted to an operation, but I commenced taking Lydia E. Pinkham's Vegetable Compound and soon felt like a new woman."—Mrs. Hayward Sowers, Hodgdon, Me.

2. Shelbyville, Ky.—"I suffered from a severe female trouble. My right side hurt me badly—it was finally decided that I must be operated upon. When my husband learned this he got a bottle of Lydia E. Pinkham's Vegetable Compound for me, and after taking it a few days I got better and continued to improve until I am now well."-Mrs. Mollie Smith, R.F.D., Shelbyville, Ky.

3. Hanover, Pa.—"The doctor advised a severe operation, but my husband got me Lydia E. Pinkham's Vegetable Compound and I experienced great relief in a short time. Now I feel like a new person and can do a hard day's work and not mind it."—Mrs. Ada Will, 303 Walnut St., Hanover, Pa.

DECATUR, ILL.—"I was sick in bed and three of the best physicians said I would have to be taken to the hospital for an operation as I had something growing in my left side. I refused to submit to the operation and took Lydia E. Pinkham's Vegetable Compound—and it worked a miracle in my case, and I tell other women what it has done for me."—Mrs. Laura A. Griswold, 2437 East William Street Decatur III William Street, Decatur, Ill.

CLEVELAND, OHIO.—"I was very irregular and for several years my side pained me so that I expected to have to undergo an operation. Doctors said they knew of nothing that would help me. I took Lydia E. Pinkham's Vegetable Compound and I became regular and free from pain. I am thankful for such a good medicine and will always give it the highest praise."—Mrs. C. H. Griffith, 1568 Constant St., Cleveland, C.

Fine Blue Grass Farm Stock, Crops, Etc.

On account of ill health I have decided to sell my farm of 375 acres, situated on the Stanford and Hustonville pike, 3 miles from Stanford, and quit business for a while. The farm is one of the very best in the county and is in a high state of cultivation. It is really three farms in one and will be first offered separately and then as a whole and the way bringing the greatest amount will be accepted. Each of the three farms has on it a dwelling and good outhouses, cisterns, etc. One contains 83 acres, another 112 and the third 180 acres. These farms are too well known to make further description necessary. Suffice it to say the three farms make one of the very best and most desirable farms in Central Kentucky. The land lays well and is fertile and yields well.

The farm or farms will be sold TUESDAY, AUGUST 31st, 1915, for one-third cash and the balance to suit purchaser or purchasers.

At the same time I will sell all of my crops, feed, etc. This includes a lot of registered saddle mares, brood mares, two-year-old saddle stallion, registered, high-class geldings and other horse stock. A lot of cattle, including milk cows, calves, steers and two-year-olds. 60-odd hogs, 85 sheep, six mules, colts, two-year olds and work mules. Two good jacks and one jennet. About 90 acres of corn, 300 bushels of wheat, 600 bales of hay. Will also sell all of my Farming Implements and Household and Kitchen Furniture.

Terms on the personalty will be made known on day of sale. Sale begins at 10 a. m. sharp and the farm will be sold the first thing. Dinner on the grounds and everybody invited.
